Mesa veterans decommission flags

Mesa Community College held a ceremony July 9 to decommission U.S. and Arizona state flags that had been due for replacement at its Red Mountain Campus, 7110 E. McKellips Road. From left, Army veterans Melanie Tesh, Tim Dawson, Jason Garcia and Joseph Beaudry helped lower and properly fold the old flags as they were retired and replaced. Approximately 20 people attended the ceremony, according to a press release. For more information on the Red Mountain Campus, visit www.mesacc.edu/locations/red-mountain-campus.
