

FALL 2024 PRE-PARAMEDICINE CLASS SCHEDULES

It is highly suggested that students take both PME190 & PME191 concurrently (together simultaneously).

All prospective paramedicine program applicants without 2 years of verifiable professional EMT experience are required to complete the pre-paramedicine foundational coursework prior to applying to the paramedicine program selection process.

The only exception to this requirement is if the applicant is being sponsored by an agency I.E. ambulance company, fire department members Or two years of verifiable professional EMT experience.

Department consent is required for registration in these courses. To register for Pre-Paramedic classes please complete and submit the registration form, which can be found on the Pre-Paramedicine webpage.
