SPRING 2025 EMT COHORT CLASS SCHEDULES

Students enrolled in the EMT Program must be enrolled concurrently in the corresponding EMT101/EMT104/EMT104LL/EMT104AB classes. Classes cannot be swapped and are not offered "Ala Carte". Registration is conducted in house via registration form, which can be found on the EMT Program Web page.

Prerequisites (must be completed prior to registration) include: Appropriate score on Reading placement test to demonstrate minimum tenth grade level reading level, or completion of an Associate's degree or higher from an accredited institution.

*Please note EMT101 (AHA BLS CPR provider course) is required for all EMT Program students and is embedded in the program. All students must successfully complete the EMT 101 (AHA BLS CPR provider course) regardless of prior/current CPR credentialing status.
